

COMMUNITY MEETING

MAIN ST & YOSEMITE AVE PAVEMENT IMPROVEMENT PROJECTS

- **Tuesday, April 30, 2019**
6:00 pm to 8:00 pm
- **Manteca Transit Center**
220 Moffat Blvd.
Manteca, CA 95336

PROJECT OBJECTIVES

The Proposed Improvements include:

- Pavement rehabilitation
- Restriping
- Traffic signs
- LED flashing beacons
- New bike paths
- Enhancing safety for bicyclists and pedestrians
- Enhancing "Safe Route To School"

DISCUSSION

The City of Manteca will provide an update of the construction sequencing/schedule and traffic control for the following two projects:

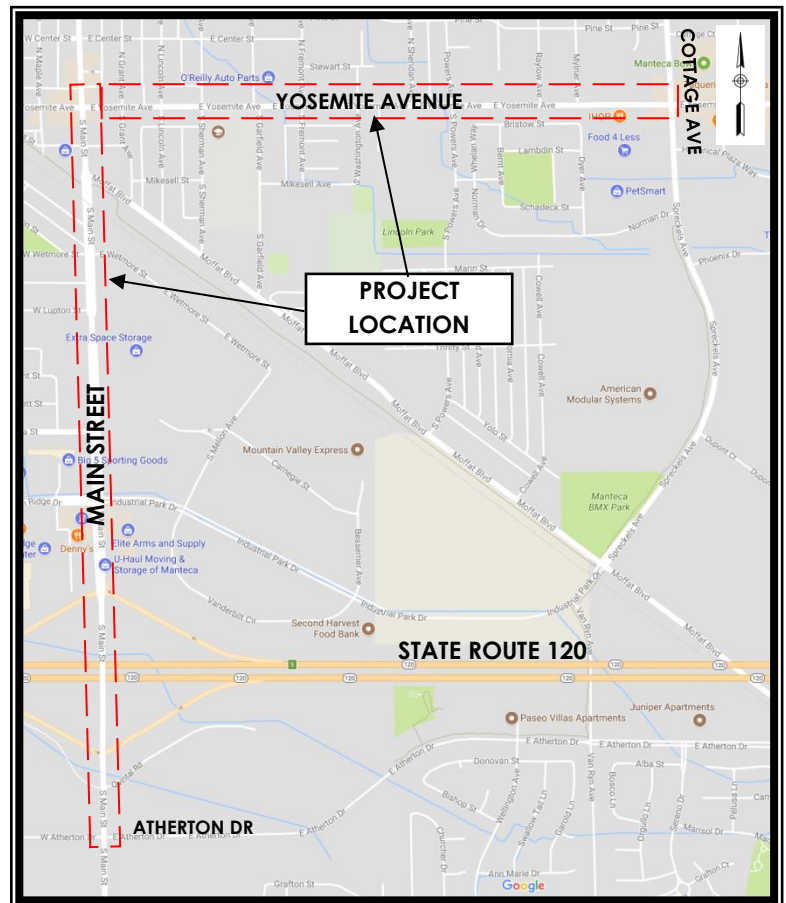

- **Main Street Pavement Improvement**
From Atherton Dr to Yosemite Ave
- **Yosemite Ave Pavement Improvement**
From Main St to Cottage Ave

Most construction works will be done at night to minimize impacts on traffic in downtown.

More info about the construction details and schedules will be provided in the meeting.

DESCRIPTION

The City of Manteca is improving the main roadways along Main Street from Atherton Drive to Center Street & Yosemite Avenue from Main Street to Cottage Drive.
